CLERK: Mr. President your Committee on Constitutional Revision and Recreation we have examined LB 699 and recommend it be advanced to the Legislature. The recommendation be placed on General File as amended (Signed) Senator Anderson Vice-Chairman.

PRESIDENT: Thank you. The chair recognizes Senator Mahoney. For what purpose do you rise, Senator.

SENATOR MAHONEY: Mr. President, a point of special privilege.

PRESIDENT: State your point, Senator.

SENATOR MAHONEY: My point is to announce to the Legislature that on September 9, Senator Robert Clark brought honor to the Legislature of Nebraska by being appointed by the 12 states in the Midwest Conference Council of State Government. 12 States in the Midwest of which he is chairman of Justice and Law on law enforcement. And it is quite a committee, quite a prize committee in the 12 states. And by his appointment Nebraska is represented on the national level. Also to the point that on January 25, and 26, Friday and Saturday. Senator Clark and Senator Luedtke, who is chairman of our Judiciary Committee, and Senator Simpson will be conducting with the staff a seminar in Columbus, Ohio in which representatives of the 12 Midwestern states, which includes Ohio and Milwaukee Wisconsin, Iowa and Missouri, the 2 Dakotas, Kansas and this is quite a significant role because their particular seminar is going to be attended by some of the finest minds in the latest outlooks on justice and law enforcement of the country. And they are going to have quite a course. And it is to our tribute that Senator Clark has set up this seminar and will be conducting it this coming weekend.

PRESIDENT: Excellent. I'm very pleased to hear that. I think that's very representative of the many efforts extended by many people involved in state government. Which we share our expertise with others around. Do we have anyother motions on the desk?

CLERK: Mr. President, the committee on Hearings Urban Affairs has set bills for hearing (signed) Senator Snyder, Chairman. Two notices, Mr. President for the same committee. That's all Mr. President.

PRESIDENT: Are there any other motions on the desk?

CLERK: None, Mr. President.

PRESIDENT: We have 2 bills for consideration today on General File, Bracketed for today 568 and 293. The chair recognizes Senator Whitney. For what purpose do you rise, Senator?

SENATOR WHITNEY: Mr. President, as I recall the rules say that A Bills have priority. And I'm just wondering if we couldn't just advance LB432, it's on final reading now. Had 42 to 0 votes. We could just do that in 30 seconds.

PRESIDENT: Senator I would rule that..I don't know that I agree with you that A Bills are important. But I don't think they can be taken out of sequence without permission from the Legislature. Now if you want to make a motion fine. And then..
